Appreciation Course on Population and Sustainable Development

Course Code: ACPSD

Assignments (January 2022)

Dear Learner,

Assignment is an important component of your study. It helps you to know your progress and maintains continuity in the studies. The assignments of the programme have to be submitted to the Programme coordinator at acpsd@ignou.ac.in

Guidelines for writing assignment

Write your enrolment number, name and full address at the top right side corner of the first page of your assignment response(s). Write the course title, assignment number and the date of submission in capital letters in the centre at the top of the first page of your response(s). Your answer should be pin pointed and well documented. Do not copy from the study material. Answers should be hand written in about 500-1000 words. Leave at least 1.½ inches margin on the left and at least 4 lines in between each other.

The top of the first page of your response(s) should look something like this:
Course Title...
Assignment Number..................................
Enrolment Number....................................
Date of Submission...................................
Address..
....
Pin code...
Email address (if any)...

Assignments

Note: Attempt any 3 of the following questions. Each question carries equal marks.

Q 1   Differentiate between:

- Ecological Footprint and Bio-capacity
- Internal and External Migration

Q 2   Explain the challenges of ageing population.

Q 3   What are the major factors responsible for low death rate during stage 2 of   demographic transition?

Q 4   What is the relationship between age composition and dependency ratio?

Q 5   "The distribution of population in India is uneven." Comment on the statement.
