Programme: BA General [BAG]
Course Codes: BSLS-183

Dear Student,

We hope you enjoyed reading the course and found it useful while learning Spanish language. You are now familiar with basic Spanish sentence structures as well as vocabulary. The given assignments here have been developed following the structure and progression as given in the SLMs with you.

In order to help you understand the material better, practice the activities and prepare you for the examination later, we have an assignment for each of the courses. The Tutor Marked Assignment carries 50 marks. You are required to obtain at least 50% marks in the assignment.

Aims: The TMA is mainly concerned with your ability to understand the material and apply it meaningfully in real-life interactions.

Guidelines: You will be required to answer the questions which are based on the units and your understanding and practice of the activities. Do not reproduce chunks of information from the units. You should try to answer them from memory and if needed, consult other supplementary material, even media sources such as the internet to complete the assignments.

Please remember that it is compulsory to submit your assignment before you can take the Term End Exams. Also remember to keep a copy of your assignment with you and do take a receipt from your Study Centre when you submit the assignment. Further information regarding the dates for submission of assignment may be obtained from the official website of IGNOU at www.ignou.ac.in

¡Buena Suerte!

Course Coordinator

Note:

1. Remember the submission of assignment is a precondition for appearing in the Term End Examination. If you do not submit the assignment on time, you will not be allowed to appear in the examination.

2. We discourage plastic covers. Use plain A4 size pages for assignments for uniformity and better management with the cover page on the assignment.
