Course BPOI-007: IT Skills

DBPOFA and CCITSK programme

Course Code: BPOI-007

Dear Student,

We hope you enjoyed reading the course and found it useful in applying it in your day to day requirements.

In order to help you understand the material better and prepare you for the final examination later, we have an assignment for this course. This assignment is a Tutor Marked Assignment (TMA) and carries 100 marks.

Aims: The TMA is mainly concerned with your ability to understand the material and apply it meaningfully in real-life interactions. These assignments are as much a teaching device as a testing tool.

Guidelines: You will be required to answer the questions which are based on the units and your understanding and practice of the activities.

As in day-to-day life, planning is important in doing the assignments well. Read the assignments carefully; go through the units on which they are based and jot down some points regarding each question. Prepare a rough draft of the answers.

Make sure that your answer:

- a) Is written in simple and correct English,
- b) is written neatly and clearly,
- c) Reflects your understanding of the units.

You will be evaluated on the following criteria:

- fulfilling and completing all aspects of the task/question,
- how you have dealt with your ideas,
- whether you used appropriate linkers when required,
- did you make adequate use of paragraph when required,
- range and correctness of vocabulary,
- accuracy of grammatical structures.

Please remember that it is compulsory to submit your assignments before you can take the Term End Exams. **Pl. submit assignments at your study centre.** Also remember to keep a copy of your assignments with you and do take a receipt from your Study Centre when you submit the assignments. In the event that you do not have a study centre in your city/region, please forward it to “The Programme Coordinator, SOVET, Block no 15 E, New Academic Building, First Floor, IGNOU, Maidan Garhi, New Delhi – 110068”

Last Date for Submission of Assignment:
