Dear Student,

We hope you enjoyed reading the course and found it useful in applying it in your day-to-day requirements.

To help you understand the material better and prepare you for the final examination later, we have an assignment for this course. This assignment is a Tutor Marked Assignment (TMA) and carries 100 marks.

Aims: The TMA is mainly concerned with your ability to understand the material and apply it meaningfully in real-life interactions. These assignments are as much a teaching device as a testing tool.
