Management of CBRNE Disasters
(PGCMDM)**

ASSIGNMENTS

July, 2024

IGNOU

School of Health Sciences
Indira Gandhi National Open University
Maidan Garhi, New Delhi-110 068
2024

Dear Student,

There is one assignment for MME 011, which is compulsory for the successful completion of the programme. Please note that the assignment carries a weightage of 30% marks towards the final evaluation in theory component and **submission of the assignments is a prerequisite** for appearing in theory term-end examination for respective papers. A minimum of 40% marks per assignment is required for successful completion of the Programme. The subject area of assignments and its last date of submission are mentioned below:

Last date of submission of assignment	Course code	Block	Max marks
30 th November, 2024	MME011	1,2,3,4	30

Please take note of the following points before writing your assignments:

- Use only foolscap size paper for writing your responses. Only hand written assignments will be accepted. Typed or printed copies of assignments will not be accepted.
- Tie the pages after numbering them carefully.
- Write the question number with each answer.
- **All the questions are compulsory.**

Suggestions for writing an assignment:

Read the assignments carefully. Go through the units on which the answers are based. Draw a rough outline of your answer. Make a logical order. Then write your answer neatly and submit. Give illustrations and tables wherever necessary. Do not copy the answers from the Blocks.

Answer assignment in sheets. On the first page of the assignment response sheet, write the course code, course title, assignment code, name of your programme study centre and date of submission. Your Roll No., Name and Full address should be mentioned in the top right corner of the first page. The first page of your response sheet should look like the format given.

Course Code _____	Roll No. _____
Course Title _____	Name _____
Assignment Code _____	Address _____

PSC _____	Date of Submission _____

Please **submit the assignments (answer sheets) to your Programme In-charge only**. You may keep a Xerox copy of the answer sheets for future reference. If any problem regarding the writing and submission of the assignments please contact to:

Answer the following question within 250-300words

Marks 8

A pandemic of respiratory disease spreading from person-to-person caused by a novel (new) coronavirus. The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious public health risk. There is a sudden spurt of cases of fever with cough of unknown etiology. 1% of the cases land up with pneumonia. Within a matter of weeks the infection has spread to neighboring countries. Outline the standard tests for investigation of the outbreak.
