Before dispatching your answer script, please make sure you have taken care of the following points:

- Your roll number, name and address have been written correctly.
- The title of the course and assignment number have been written clearly.
- Each assignment on each course has been written on separate sheets and pinned properly.
- All the questions in the assignments have been answered.

Now read the guidelines before answering questions.

### **POINTS TO KEEP IN MIND**

- 2) **Organization:** Be a little more selective and analytical. Give attention to your introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarize your response to the question.

### **Make sure that your answer:**

- a) Is logical and coherent
  - b) Has clear connections between sentences and paragraphs
  - c) Is written correctly giving adequate consideration to your expression, style and presentation
  - d) Does not exceed the number of words indicated in the question.
