1. Use only foolscap size paper for your responses and tie all the pages carefully.
2. Write the question number with each answer.
3. You should write in your own handwriting.
4. Submission: The completed Assignment should be sent to the Coordinator of the Study Centre allotted to you.

A Note of Caution

Please do not send the answers to “SAQ” exercises to the University for Evaluation. These exercises are given to help in judging your own progress. For this purpose, we have provided the answers to these exercises at the end of each Unit.

Before dispatching your answer script, please make sure you have taken care of the following points:

- Your roll number, name and address have been written correctly.
- The title of the course and assignment number has been written clearly.

- Each assignment on each course has been written on separate sheets and pinned properly.
- All the questions in the assignments have been answered.

Now read the guidelines before answering questions.

POINTS TO KEEP IN MIND

You will find it useful to keep the following points in mind:

- 1) **Planning:** Read the assignments carefully. Go through the units on which they are based. Make some points regarding each question and then rearrange these in a logical order.
- 2) **Organization:** Be a little more selective and analytical. Give attention to your introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarize your response to the question.

Make sure that your answer:

- a) Is logical and coherent
 - b) Has clear connections between sentences and paragraphs
 - c) Is written correctly giving adequate consideration to your expression, style and presentation
 - d) Does not exceed the number of words indicated in the question.
- 3) **Presentations:** Once you are satisfied with your answers, you can write down the final version for submission, writing each answer neatly and underline the points you wish to emphasize.
