Be in touch with your study Centre and Regional Centre.

Fill up the examination form on time.

Do your field practicals only under the guidance of a professionally qualified social worker having MSW/M.A (Social Work) provided to you from your study centre.

For BSW second year, you have to do one Tutor Marked Assignments (TMAs) for BSWE-002, BSWE-004 and other foundation courses.

From July 2007 session, all the BSW students are expected to pass for FieldWork (SocialWork Practicum) separately with 35% marks each by:

- i) FieldWork Supervisor, and
- ii) External Examiner

Your chances of passing in Social Work Practicum will depend on the supervisor who shall be guiding you. Remember that only a qualified supervisor with MSW/M.A(SocialWork) is eligible to guide you for your field work. If you have any difficulty in this regard, please discuss the same with your coordinator at the study centre. You may also contact Dr. Sayantani Guin, the programme coordinator on email: sayantani@ignou.ac.in

You have six years to complete the BSW programme. There is no specific deadline in between to submit the journal. Therefore ensure that you complete both the theory and practicum within six years. You are free to submit the journal to the study centre any time during the six years after completing all components in all respects.

The Evaluation Division will get the journals evaluated twice in a year i.e. along with the TermEnd Examination theory papers of June and December respectively. For this purpose Journals must be received on or before May 30th and November 30th respectively in the Evaluation Division, IGNOU, New Delhi. Your Field Work Journal is to be submitted to the Field Work Supervisor (FWS) at the study centre. The FWS will assign the marks and submit the same to the Coordinator at the Study Centre for forwarding the same to Registrar, SED, IGNOU, New Delhi – 110068.

Assignments are open book examination and we at IGNOU assign 30 per cent weightage to the assignment while calculating the overall grade for each course. Assignments are to be hand-written or neatly typed and duly signed on it before its submission in the study centre. In order to prepare a good set of assignment-responses, you must first of all read the chapter(s) from which a particular question has been framed. Discuss with your peer-group and academic counselors or professors who teach you. Prepare a draft, do the necessary correction on it and then, prepare the final version for submission to the Study Centre.

Make sure that each question answer starts on a new page. For long and medium answers, ensure that there is an introduction, sub-titles for main body and a conclusion. One line should be left between each paragraph. Make sure your answers are specific and in your own words and do not copy from books. Your answers will be exclusively based on the IGNOU materials only. Preparation of assignments is preparation for your term-end examination. Therefore take the assignments seriously.
