

**MASTER OF BUSINESS ADMINISTRATION
(MANAGEMENT ACCOUNTING AND FINANCE)
(MBAMAFCI)**

Term-End Examination

December, 2015

**MCN-082 : PROJECT-FINANCIAL APPRAISAL
AND MANAGEMENT**

Time : 3 hours

Maximum Marks : 100

Note : *Attempt any five questions. All questions carry equal marks.*

1. Define 'project planning' and 'project control'. State their respective objectives. What, if any, is their relationship with 'project management' ? What is the aim of project management ?
2. Describe the various methods of raising money for execution of a project. Which method would you prefer in case of a well-established firm enjoying a lot of goodwill ?
3. State the objectives of a project feasibility study. How would you differentiate between pre-feasibility study and detailed project feasibility study.
4. "PERT is probabilistic and CPM is deterministic." Explain this statement. When is it advisable to employ these techniques ?

5. Explain the various methods of financial evaluation of projects. Why is it that NPV is the most used method ?
6. Briefly mention the quantitative and qualitative techniques employed in project management. What role can be played by computers in this respect ?
7. Explain the system of social cost-benefit analysis with respect to government projects. Why private sector does not employ it ?
8. Write short notes on any *two* of the following :
 - (a) Project Post-Completion Audit
 - (b) Effects of Time and Cost Over-Run
 - (c) Technical Analysis of a Project
 - (d) Project Risk Management
