-
-

1. (a) Design and develop a website for the *Ministry of Health and Family Welfare, Government of India.*

The ministry has four departments. These are

- (i) Department of Health and Family Welfare;
- (ii) *Department of Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homoeopathy (AYUSH);*
- (iii) Department of Health Research; and
- (iv) Department of AIDS control.

The publications of the ministry are Annual reports, Rural health statistics, Acts and rules, etc.

Each system of medicine covered in AYUSH has national focal points, such as for *Yoga, Morarji Desai National Institute of Yoga, New Delhi*; for homoeopathy, *National Institute of Homoeopathy (NIH), Kolkata.*

NIH was established in 1975. It conducts courses — BHMS, M.D. (Hons), etc. The facilities at NIH include 60 bed hospital, 8 pay cabins, etc. The institute provides library and information services.

- (b) The website of the Ministry should have a title of the Ministry displayed at the title bar. The background colour should be in blue and the captions in white.

- (c) The page should have a menu at the top showing history, departments, publications, contact us.
 - (d) You should design another three web pages.
— Morarji Desai National Institute of Yoga, New Delhi; National Institute of Homoeopathy (NIH), Kolkata; and AYUSH with necessary links.
 - (e) All these web pages should have a link to the Ministry site and can be navigated.
 - (f) NIH web page should have menu buttons for — history, courses, services and facilities.
 - (g) All the web pages should have a link to another web page — Traditional Knowledge Digital Library (TKDL), which is a collaborative project of CSIR and AYUSH. (Use appropriate HTML logos, controls, images, tables, navigational elements, etc.) 40
