1. (a) Design and develop a Website for Centre for Economic and Social Studies (CESS), based on the information provided below : 40

The site should have linkage with facilities for navigation to four web pages-home page, CESS Library, Library services and E-resources. CESS was established as an autonomous research centre in 1980. Appreciating its role in the promotion of research and training, the Indian Council of Social Science Research (ICSSR) (MHRD) recognized it as a national institute in the year 1986 and included the centre in its network of institutions. Conducting interdisciplinary research in analytical and applied areas of Social Sciences, encompassing socio-economic and other aspects of development, constitute the predominant activities of the centre. The centre has evolved a unique teaching-cum-research training programme leading to M.Phil and Ph.D in development studies.

- (b) The website of the CESS should have a title of the centre displayed at the title bar. The background colour should be in blue and the captions in white .
- (c) The page should have a menu bar at the top showing CESS library, services, E-resources, and contact us. The text information are as follows :

- (d) CESS Library : The centre's library has a total collection of over 30,000 books and other volumes. 150 plus Indian and foreign periodicals. 2737 bound volumes of journals. As the only Depository library of the World Bank in the State of Telangana.
- (e) Library services : Document Delivery Service, Current contacts, Conference alerts, Online literature search services, Funding proposal alerts, Reprographic service, Inter library loan, Current Awareness service, SDI, etc.
- (f) E-resources : The library has been subscribing 102 National and International journals. It has open access resources such as, Social Science Research Network, Social Science Open Access Repository, Indian Citation Index, Research Papers in Economics and JURN directory for 3000 links to arts and humanities journals.
- (g) All these web pages should have a link to the CESS homepage and can be navigated.
- (h) You should design above website using appropriate HTML tags, images, logos, controls, tables, navigational elements, etc.
