# Appreciation Course on Population and Sustainable Development

## Course Code: ACPSD

## Assignments (July 2020 )

**Dear Learners,**

Assignment is an important component of your study. Each block of ACPSD has one compulsory assignment. You have to submit one assignment per block to complete the course. The assignments have to be submitted to the Programme Co-coordinator as per the date mentioned in the assignment.

**Guidelines for writing assignment**
Write your enrolment number, name and full address at the top right side corner of the first page of your assignment response(s). Write the course title, assignment number and the date of submission in capital letters in the centre at the top of the first page of your response(s). Your answer should be pin pointed and well documented. Do not copy from the study material. Answers should be hand written in around 500-700 words. You must keep a copy of your assignments. If these are lost in postal transit you may re-submit the copy only after taking permission from the authority.

**The top of the first page of your response(s) should look something like this:**
**Course Title........................................................................................................................**
**Assignment Number.................................**
**Enrolment Number..................................**
**Date of Submission...................................**
**Address..............................................................................................................................**
**...........................................................................................................................................**
**Pin code.........................................**
**Email address (if any).........................................................................**

**Note:   Attempt all the questions.  Each question carries equal marks.
Last date of submitting the assignments is 31 October 2020**
