As explained in the Programme Guide, there are four Tutor Marked Assignments (TMA) and **all these assignments are compulsory**. Please note that you are required to score a minimum of 50% marks in each assignment component. The assignments carry a weightage of 30% marks towards the final evaluation in theory component. **Submission of related assignments is a pre-requisite** for appearing in theory term-end examination for respective papers. All the assignments should be submitted **before 31st March, 2014**.

Please take note of the following points before writing your assignments:

- **Use only foolscap size paper for writing your responses. Only hand written assignments will be accepted. Typed or printed copies of assignments will not be accepted.**
- Tie all the pages after numbering them carefully.
- Write the question number with each answer and marks allotted.
- **All the questions are compulsory.**
- Every assignment will be evaluated out of a full mark of 100. Weightage is indicated against each question.

Suggestions for writing an assignment:

Read the assignments carefully. Scan through the whole material of the course, answers may be linked within the blocks/units. Draw a rough outline of your answer in your own words. Support your answer from your clinical experience. Make a logical order. Then write your answer neatly and submit. Give illustrations and tables wherever necessary. You must keep a Xerox copy of the answer sheets for the future reference. Do not copy from printed course material. Answer each assignment on separate sheet. On the first page of the assignment response sheet, write the course code, course title, assignment code, name of your Programme study centre (PSC) and date of submission. Your roll number, name and full address should be mentioned on the first page. The first page of your response sheet should look like the format given.
