# **Post Basic Bachelor of Sciences in Nursing [B.Sc. N. (PB)]**

## **Assignments 2024 3rd Year (Revised Courses BNS – 209, 210, 211)**

*School of Health Sciences*  
**Indira Gandhi National Open University**  
**Maidan Garhi, New Delhi-110 068**

Dear Student,

As explained in the Programme Guide, these are six assignments and all these assignments are compulsory. Please note that you are required to score 50% marks in each assignment separately. The assignments carry a weightage of 30% marks towards the final evaluation in theory component and *submission of related assignments is a prerequisite* for appearing in theory term-end examination for respective courses. The subject area of assignments and its last date of submission are mentioned below:

Last Date of Submission	Course Code	Blocks involved	Assignment Code
<b>31<sup>st</sup> August , 2024</b>	BNS-209	1, 2	BNS-209/TMA-1
	BNS-210	1, 2	BNS-210/TMA-1
	BNS-211	1, 2	BNS-211/TMA-1
<b>30<sup>th</sup> September , 2024</b>	BNS-209	3, 4	BNS-209/TMA-2
	BNS-210	3, 4	BNS-210/TMA-2
	BNS-211	3, 4	BNS-211/TMA-2

Please take note of the following points before writing your assignments:

- Use only foolscap size paper for writing your responses. **Only handwritten assignments** will be accepted. Typed or printed copy of assignments will not be accepted.
- Tie all the pages after numbering them carefully.
- Write the question number with each answer.
- All the questions are compulsory.**
- Every assignment will be evaluated out of a full mark of 100. Weightage is indicated in parenthesis against each question.

**Suggestions for writing an assignment:**

Read the assignments carefully. Scan through the whole material of the course, answers may be linked within the blocks/units. Draw a rough outline of your answer in your own words. Support your answer from your clinical/community experience. Make a logical order. Then write your answer neatly and submit. Give illustrations and tables wherever necessary. **You may keep a zerox copy of the answer sheets for future reference. Do not copy from print material.**

Answer each assignment in separate sheets. On the first page of the assignment response sheet, write the course code, course title, assignment code, name of your **programme study centre (PSC)** and date of submission. Your Enrollment No., Name and Full address should be mentioned in the top right corner of the first page. The first page of your response sheet should look like the format given below:

Course Code _____	Enrollment No. _____
Course Title _____	Name _____
Assignment Code _____	Address _____
PSC _____	_____
Date of Submission _____	_____

**Please submit the assignments to the Programme In-charge of the Programme Study Centre allotted to you.**

**COMMUNITY HEALTH NURSING**  
**Assignment – 1 (Block 1 & 2) (Tutor Marked)**

**Programme Code: B.Sc. N. (PB)**  
**Course Code: BNS -209**  
**Assignment Code: BNS – 209/TMA-1/2024**  
**Maximum Marks: 100**  
**Last date for Submission: August 31<sup>st</sup>, 2024**

**Note: This Assignment has Two Parts — Part A and B.**

**Part A consists of two long answer questions. Each question carries 15 marks.**

**Part B consists of seven short answer questions. Each question carries 10 marks.**

**Part A**

- 1) a) Explain the meaning of family and family health nursing.  
b) List the functions of family.  
c) Plan care for the high risk family which includes unemployed father with tuberculosis, pregnant mother with 3 children working as a daily wager, a newborn and 1 infant not immunized and malnourished by following the steps of family health nursing process. (1+1+3+10=15)
  
- 2) a) Define Emerging and Re-emerging disease.  
b) Discuss the factors related to Emerging and Re-emerging disease.  
c) Explain Covid-19 as emergency disease. (2+5+8=15)

**Part B**

- 3) Analyze the principles of community health nursing support with examples. (10)
  
- 4) a) Explain the natural history of disease with any communicable disease as an example.  
b) Describe the levels of prevention of disease with examples. (6+4=10)
  
- 5) a) List difference between data and information.  
b) Describe the sources of health information a community health nurse can use for review the health situation in community.  
c) Enlist the various statistical averages and ways to present the data. (2+6+2=10)
  
- 6) Write short note on the following:  
a) Spectrum of Disease.  
b) Ice-berg of Disease. (10)
  
- 7) Discuss clinical manifestation, nursing assessment & nursing management of childhood obesity (10)
  
- 8) a) Explain epidemiological factors causing malaria.  
b) Discuss preventions and control of malaria. (6+4=10)
  
- 9) Explain following aspects related to Soil Transmitted Helminthes  
a) Health effects  
b) Mode of spread and risk factors responsible for transmission.  
c) Treatment of worm infestations. (2+4+4=10)

**COMMUNITY HEALTH NURSING**  
**Assignment 2 (Block 3 & 4) (Tutor Marked)**

**Programme Code: B.Sc. N. (PB)**

**Course Code: BNS -209**

**Assignment Code: BNS 209/TMA-2/2024**

**Maximum Marks: 100**

**Last date for Submission: September 30<sup>th</sup>, 2024**

**Note: This Assignment has three Parts Part A and B**

**Part A consists of two long answer questions. Each question carries 15 marks.**

**Part B consists of seven short answer questions. Each question carries 10 marks.**

**Part A**

- 1) a) Enlist the various non communicable diseases.  
b) Explain in detail the following diseases  
i) Diabetes  
ii) Cancer  
c) Discuss the role of a community health nurse in prevention and control of Non communicable disease with specific reference diabetes and cancer. **(5+5+5=15)**
  
- 2) a) National Reproductive Maternal Newborn Child and Adolescent Health Phase II programme is implemented in your state as per national guidelines, answer the following:  
b) Discuss the RCH programme along with role of the community health nurse in the RCH programme. **(8+7=15)**

**Part B**

- 3) a) Explain Direct Observation Treatment Therapy (DOTS) and DOTS (PLUS) Therapy.  
b) Discuss the role of a community health nurse in providing care to disadvantaged children. **(4+6=10)**
  
- 4) a) Explain the extent of child abuse problem in your state.  
b) Discuss the role of a community health nurse in school health. **(4+6=10)**
  
- 5) List the various techniques of management and explain any two techniques used by community Health nurse administrator. **(2+4+4=10)**
  
- 6) List the various health committees constituted by Government of India from time to time and describe the major recommendations of Bhore and Mudaliar Committees in detail. **(2+4+4=10)**
  
- 7) a) Draw the organization structure of nursing structure at state level as recommended by High Power Committee.  
b) Critically analyze the role of nurses at centre and state level. **(3+3+4=10)**
  
- 8) a) Explain the criteria for evaluation of public health programmes.  
b) Describe the various methods of evaluation used to evaluate a national programme at District level. **(4+6=10)**
  
- 9) Describe the impact of poverty on health and impact of government programme in reduction of poverty. **(10)**

**NURSING ADMINISTRATION**  
**Assignment-1 (Blocks 1, 2) (tutor Marked)**

**Programme Code: B.Sc.N. (PB)**  
**Course Code: BNS-210**  
**Assignment Code: BNS-210/TMA-1/2024**  
**Maximum Marks: 100**  
**Last date for Submission: August 31<sup>st</sup>, 2024**

**Note:**

This Assignment has two parts — Part A and B.

Part A consists of two long answer questions. Each question carries 15 marks.

Part B consists of seven short answer questions. Each question carries 10 marks.

**Part A**

- 1) “Planning is the first function of administration and management”. Explain characteristics of planning. Describe functions of organization from acronym POSDCOB. **(5+10=15)**
  
- 2) a) Explain essential characteristics of good nursing service department.  
b) Write role and functions of nurse administrator. **(10+5=15)**

**Part B**

- 3) Explain concept and objectives of nursing supervision. Discuss the functions of nurse supervisor. **(5+5=10)**
  
- 4) Describe requisites or factors which contribute to effective administration. **(10)**
  
- 5) Explain line relationship with example from your hospital or where you have been placed for clinical experience. Give justification. **(10)**
  
- 6) Discuss factors which as a nurse you think influence the quality of patient care. Support your answer with examples. **(10)**
  
- 7) Write purposes of “Budget”. Explain Budgetary Control. **(4+6=10)**
  
- 8) Explain inventory control. Discuss role of nurses in material management. **(4+6=10)**
  
- 9) Discuss the various methods of evaluation of nursing care. Critically discuss which method you think is more effective. **(10)**

**NURSING ADMINISTRATION**  
**Assignment-2 (Blocks 3, 4) (tutor Marked)**

**Programme Code: B.Sc. N. (PB)**

**Course Code: BNS-210**

**Assignment Code: BNS-210/TMA-2/2024**

**Maximum Marks: 100**

**Last date for Submission: September 30<sup>th</sup>, 2024**

**Note:**

This Assignment has two parts — Part A and B.

Part A consists of two long answer questions. Each question carries 15 marks.

Part B consists of seven short answer questions. Each question carries 10 marks.

**Part A**

1) Explain the benefits of in-service education and staff development. Discuss any two areas of in-service education. **(5+10=15)**

2) Discuss the need for effective communication with example from your clinical experience. Write the stages of communication. Discuss formal and informal communication. **(5+5+5=15)**

**Part B**

3) Explain essentials of good “Public Relations”. Discuss advantages of in-house PR department. **(5+5=10)**

**NURSING EDUCATION AND RESEARCH (BNS 211)**  
**ASSIGNMENT – TMA 1 (Block- 1, 2)**

**Programme Code: B.SCN (PB)**  
**Course Code: BNS 211**  
**Assignment Code: BNS 211/TMA/1/2024**  
**Maximum Marks – 100**  
**Last date of Submission: August 31<sup>st</sup>, 2024**

**Note: Support all questions with examples.**

- 1) a) Describe levels of curriculum development.  
b) Describe the types of curriculum.  
c) Describe the factors influencing curriculum development. **(5+5+5=15)**
  
- 2) a) Enlist feature of curriculum.  
b) Explain the steps of curriculum development support with diagram. **(5+5=10)**
  
- 3) a) Explain the need for domains of objectives.  
b) Explain the types of domains with examples. **(4+6=10)**
  
4. a) Differentiate between goals and objectives.  
b) Differentiate between general and specific objectives with examples. **(5+5=10)**
  
5. a) List the advantages of planning a lesson.  
b) Describe the steps involved in planning a lesson. **(2+8=10)**
  
6. a) Describe the purposes of clinical rotation plan.  
b) Explain the factors to consider while making a clinical rotation plan for the students. **(5+5=10)**
  
7. a) Describe the general principles of implementation of clinical experience.  
b) Discuss the responsibilities of faculty of school of nursing. **(5+5=10)**
  
8. a) Describe the procedure for practical examination. Advantages and disadvantages of practical examination.  
b) Explain the purposes of curriculum evaluation. **(5+3+3+4=15)**
  
9. Explain the following: **(5x2=10)**
  - a. Maxims of Teaching
  - b. Block System
  - c. Curriculum
  - d. Rating Scale
  - e. Anecdotal Records

**NURSING EDUCATION AND RESEARCH (BNS 211)**  
**ASSIGNMENT – TMA 2 (Block- 3, 4)**

**Programme Code: B.SCN (PB)**  
**Course Code: BNS 211**  
**Assignment Code: BNS 211/TMA/2/2024**  
**Maximum Marks – 100**  
**Last date of Submission: September 30<sup>th</sup>, 2024**

**Note: Support all questions with examples.**

- 1) a) Describe the characteristics of nursing research.  
b) Explain the purposes of nursing research with examples. **(4+6=10)**
- 2) Describe the stages of research process. **(10)**
- 3) a) Differentiate between conceptual framework and models.  
b) Differentiate between quantitative and qualitative research approach. **(5+5=10)**
- 4) a) Explain the meaning of population, sample, sampling, Sampling Error, Sampling Bias  
b) Describe types of Probability and Non-Probability Sampling with examples. **(5+10=15)**
- 5) a) Describe the various sources of data support with examples.  
b) Explain the various techniques and tools for data collection with examples. **(5+10=15)**
- 6) a) Explain the following  
  - Content Validity
  - Criterion Validity
  - Construct Validity
  - Reliability
  - Inter-Rater Reliability **(3+3+3+3+3=15)**
- 7) a) Explain the steps of development questionnaire for data collection with example.  
b) Describe the characteristics of good questionnaire. **(10+5=15)**
- 8) Explain the following: **(5x2=10)**
  - a) Dependent Variable
  - b) Independent Variable
  - c) Null Hypothesis
  - d) Statistical Hypothesis
  - e) Assumptions
