GUIDELINES FOR TMAs

1. **Planning:** Read the questions carefully. Go through the units on which they are based. Read the features that regularly appear in magazines and periodicals. These readings will help you in attempting the assignment better. Do maintain the purity of language and readability of your answer in mind if you wish to get a good grade. Be satisfied with the draft before you prepare your assignment and submit it to the Study Centre for evaluation.

Make sure that your answer:

- a) is logical and coherent;
 - b) has clear connections between sentences and paragraphs;
 - c) is written correctly giving adequate consideration to your expression, style and presentation;
 - d) does not exceed the number of words indicated in your question.
3. **Presentation:** Once you are satisfied with your answers, you can write down the final version for submission, writing each answer neatly and underlining the points you wish to emphasise.

You may be aware that **you need to submit your assignments before you can appear for the Term End Exams. Please remember to keep a copy of your completed assignment, just in case the one you submitted is lost in transit.**
