Dear Learner,

Before beginning to solve the assignments, you are required to read the assignments section given in the Programme Guide for Elective Courses which we have sent you after your enrolment. For assignments component, a weightage of 30 per cent has been earmarked as a part of continuous evaluation. **It consists of one tutor-marked assignment** for this course. We are providing the assignments in this booklet consisting of three parts, Part A, B and C. Together, the total marks for all the three parts is 100. Out of 100 marks, you are required to secure 35 marks or 35 % marks to successfully complete the assignment component.

Instructions for Formatting Your Assignments

Before solving the assignments, please carefully read the instructions as given under:

- 1) On top part of the first page in your answer sheet, please write your details exactly in the following format as given below:
