This Assignment booklet has TMAs for the core course **BPSC 105 Introduction to Comparative Government and Politics**, which is a course on offer in the second year of the programme. This is a six credit course. You will have to do all three sections of this Tutor Marked Assignment (TMAs) whose total marks add up to 100 and carry a weightage of 30 per cent.

Assignment One has Descriptive Category Questions (DCQs). These are meant for writing essay type answers, with an introduction and a conclusion. These are intended to test your ability to describe understanding/knowledge about the topic in a systematic, to-the-point, and coherent manner.

Assignment Two has Middle Category Questions (MCQs). These questions require you to first analyse the topic in terms of arguments and explanations and then write the answers in a concise manner. They are meant to test your ability to clearly understand concepts and processes.

Assignment Three has Short Category Questions (SCQs). These questions are meant to improve your skill of recall the relevant/precise information about persons, writing, events, and or clear understanding of concepts and processes.

Before you attempt the assignments, please read the instructions carefully provided in the Programme Guide. It is important that you write the answers to all the TMA questions in your own words. Remember, writing answers to assignment questions will improve your writing skills and prepare you for the term-end examination.
