TUTOR MARKED ASSIGNMENTS**

Dear Student,

As explained in the Programme Guide, evaluation at IGNOU consists of two parts: i) continuous evaluation through assignments, and ii) term-end examination. In the final result, assignments of a course carry 30% weightage while 70% weightage is given for term-end examination. You will have to do three Tutor Marked Assignments (TMA) for a six credit course and two TMAs for a four credit course. This Assignment booklet has TMAs for the core course **BHIC-102 Social Formations and Cultural Patterns of the Ancient World** which is a six credit course.

Assignment One has Descriptive Category Questions (DCQs) along with the application part. These questions are framed to check your understanding of various introductory concepts of Economics along with your ability to solve the application based questions in a systematic, to-the-point and coherent manner.

Assignment Two has Middle Category Questions (MCQs). These questions require you to first analyse the topic in terms of arguments and explanations and then write the answers in a concise manner.

Assignment Three has Short Category Questions (SCQs). These questions are meant to improve your skill of recalling in brief the relevant/precise information about various economic concepts and processes.

Before you attempt the assignments, please read the instructions carefully provided in the Programme Guide. It is important that you write the answers to all the TMA questions in your own words. Your answers should be within the approximate range of the word-limit set for a particular section.
