M.Sc. (CFT) 2nd Year**

ASSIGNMENTS: 2014-15

Dear Learner,

You have to do three assignments in all during the second year of M.Sc. (CFT). For each theory course, you will have to do one assignment. All the assignments are tutor marked (that is, evaluated by the Academic Counsellor) and each Tutor Marked Assignment (TMA) carries 100 marks for 4 credit theory papers and 50 marks for 2 credit theory papers. In this assignment booklet there are five assignments of which 2 are for the compulsory courses (MCFT-006 and MCFT-007); and three pertain to the optional paper (MCFTE-001/MCFTE-002/MCFTE-003). According to the optional paper you have selected, you have to do the third assignment. The course-wise distribution of assignments is as follows:

Assignment 1 (TMA-6) : based on MCFT-006 (Units 1-18)

Assignment 2 (TMA-7) : based on MCFT-007 (Units 1-19)

Assignment 3 [TMA-8(1)] : based on MCFTE-001 (Units 1-8)

All Tutor Marked Assignments are to be submitted at the study centre assigned to you.

- 3) Read the assignments carefully and follow the specific instructions, if any, given on the assignment itself about the subject matter or its presentation.
- 4) Go through the Units on which assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasize.
- 5) Use only foolscap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.
- 6) **Write the responses in your own hand.** Do not print or type the answers. Do not copy your answers from the Units/Blocks sent to you by the University. If you copy, you will get zero marks for the respective question.
- 7) Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.
- 8) Write each assignment separately. All the assignments should not be written in continuity. For each Course use separate sheets or start on the next sheet.
- 9) Write the question number with each answer.
- 10) The completed assignment should be sent to the Coordinator / Programme Incharge of the Study Centre/ Programme Study Centre allotted to you. Under any circumstances do not send the tutor marked response sheets to the Student Evaluation Division at Head Quarters for evaluation.
- 11) After submitting the assignment at the Study Centre / Programme Study Centre, get the acknowledgement from the Coordinator / Programme Incharge on the prescribed assignment remittance-cum-acknowledgement card.
- 12) In case you have requested for a change of Study Centre, you should submit your Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is notified by the University.
- 13) If you find that there is any factual error in evaluation of your assignments e.g. any portion of assignment response has not been evaluated or total of score recorded on assignment response is incorrect, you should approach the coordinator of your study centre for correction and transmission of correct score to headquarters.

A Note of Caution

It has been noticed that some students are sending answers to Check Your Progress Exercises to the University for evaluation. Please do not send them to us. These exercises are given to help you in judging your own progress. For this purpose, we have provided the answers to these exercises at the end of each Unit. We have already mentioned this in the Programme Guide.

Before submitting your assignment response, please make sure you have taken care of the following points:

- Your roll number, name and address have been written correctly.
- The title of the course and assignment number have been written clearly.
- Each assignment on each course has been written on separate sheets and pinned properly.
- All the questions in the assignments have been answered.

Make sure that your answer:

- a) is logical and coherent.
