**ASSIGNMENTS FOR CERTIFICATE PROGRAMME IN VALUE EDUCATION  
(SOEDS)  
JANUARY AND JULY-2020**

**Dear Student,**

As per laid down guidelines of the university, you have to complete one assignment before the term end examination of June and December, 2020. The assignment carries 30% weightage. The questions are analytical and descriptive by nature. Therefore take your assignment very seriously. The main purpose of the assignment is to inspire you to thoroughly read the study materials and also to test your comprehension of the learning materials. It is advised that you should not reproduce the study materials, rather apply your judgment and if possible consult reference books and related text materials before answering the assignments. However, you do not have to worry about non-availability of extra reading materials for working on the assignments.

Whenever you receive the course materials and assignments, check them immediately and if any assignments are missing write to the Regional Centre or see IGNOU website. ([www.ignou.ac.in](http://www.ignou.ac.in)).

Complete the responses on assignments in all respects. Check that you have not inadvertently left answering any question before submitting the assignments. Incomplete assignment will ensure you poor grade.

If you fail to get pass grade in any assignment, you have to submit it again. However, once you get the pass grade in an assignment, you can not resubmit it for improvement of the grade.

Remember that **you have to write the answers of the assignments in your own handwriting** and should not send **typed assignments**.

You should submit the assignments before the due date to the Programme Co-coordinator . If the last date for the submission of assignment falls on holiday, it should be submitted on the following working day. For your own record please retain a copy of the assignment responses. The university/ coordinators/co-coordinator of the programme have the right to reject the assignments, if submitted after the due date.
