Please take not of the following points before writing your assignment:

- Use only foolscap size paper for writing your responses. **Only hand written assignment** will be accepted Typed or printed copies of assignment will not be accepted.
- Tie all the pages after numbering them carefully.
- Write the question number with each answer.
- **All the questions are compulsory.**
- Assignment will be evaluated out of 100 marks. Weightage is indicated in against each question.

Suggestions for writing an assignment:

Read the assignment carefully. Scan through the whole material of the course, answers may be linked within the blocks/units and some questions are applied type based on your theory blocks. Draw a rough outline of your answer in your words. Support your answer with examples from your clinical / community experience. Make a logical order. Then write your answer neatly and submit. Give illustrations and tables wherever necessary. **Your may keep a Xerox copy of the answer sheets for future reference.** Do not from print material.

Answer both the assignments in separate sheets. On the first page of the assignment response sheet, write the course code, course title, assignment code, name of your regional centre and date of submission. Your Enrollment no, Name and Full Address should be mentioned in the top right corner of the first page. The first page of your response sheet looks like the format given below:

Please submit the assignment to your Programme In-charge of the Programme Study Centre allotted to you
