MAJEM/PGJMC ASSIGNMENTS

Dear Learner,

As explained in the Programme Guide, you need to submit one assignment in each of the six theory courses.

The last date of the submission is given against each of the assignment. Please note that you have to submit these assignments to the **Coordinator of your Study Centre** within the stipulated time for being eligible to appear in the term-end examination.

You must mention your **Enrolment Number, Name, Address, Assignment Code and Study Centre Code** on the first page of the Assignment. You must obtain a **receipt from the Study Centre** for the assignments submitted and retain it. **It would be advisable to retain a photocopy of the assignments with you.**

After evaluation, the assignments have to be returned to you by the Study Centre. Please insist on this and keep a record with you. The marks obtained by you will be sent by the Centre to SED at IGNOU, New Delhi.

Guidelines for doing Assignments

Attempt all questions given in each of the assignment as instructed. You will find it useful to keep the following points in mind:

Planning: First read the study material carefully, attend teleconferencing sessions and interactive radio counseling sessions conducted for the programme; if required you can obtain details from Study Centre/Regional Centre) and then read the assignments carefully. Go through the units on which they are based. Make some points regarding each question and then rearrange them in a logical order.

Organization: Draw a rough outline of your answer. Be analytical in your selection of the information for your answer. Give adequate attention to the introduction and the conclusion. Make sure that the answer:

- is logical and coherent;
- has a proper flow of information in sentences and paragraphs; and
- is written correctly giving adequate consideration to your expression, style and presentation.

Presentation: Once you are satisfied with your answer, you can write down the final version for submission, writing each answer neatly.

With best wishes,

Dr. Amit Kumar
Programme Coordinator, MAJEM

MJM-022: WRITING AND EDITING FOR PRINT MEDIA
Assignment 03

(Due Date: Please check the website for the latest update on due date)

Assignment Code: MJM-022/Jan23/July23

Maximum Marks: 100

Weightage: 30%

Note: Answer all the questions. All questions carry equal marks = 20 each

Attempt each question in about 500 words

1. Select any two newspapers published in India. One should be a national daily and another one should be a regional one. Make sure that both come from two different languages. As per your learning from Units 12 and 13 (Page Layout & Principles of Page Design), analyse the chosen two newspapers' designs and write your critical interpretations. Take a screenshot of sample pages and use the mobile/computer markup tools to highlight your interpretations.
2. Select any 'Explainer' or 'Backgrounder' news stories that got published a month or two before the submission of your assignments. Create two infographics using any online tools, as prescribed in the MJM022 (page number 235). Submit the printout of your infographics.
3. Identify a national/regional issue of the recent past. Read more about the issue and refer the Unit 7 (Editorial Writing) and write a well-balanced editorial for a national audience.
4. Based on your observation in your locality, identify a pitch for a news website. Write a brief about your pitch and do a mind map exercise for the chosen pitch.
5. Identify a newsmaker from your locality/district, and write a profile of that person. Submit the photograph of that person with your assignment.

You can complete the assignments of MJM022 through the SOJNMS's online students' lab journal The Voices - <https://medialit.in/thevoices/>

Weightage: 30%

Note: Answer all the questions. All questions carry equal marks = 20 each

Attempt each question in about 500 words

1. Discuss the different characteristics of online journalism with examples. (600 words)
2. Describe the different categories of presenters in radio. (500 words)
3. Write a script for a television news package of 90 seconds duration on any news story of your choice.
4. Explain the pre-production stage for a television documentary production. (500 words)
5. Explain any two of the following terms: (250 words each)
 - i. Hyper-textuality
 - ii. Content Management System (CMS)
 - iii. Output
 - iv. Rundown

MJM-024: MEDIA AND SOCIETY
Assignment 05

(Due Date: Please check the website for the latest update on due date)

Assignment Code: MJM-024/Jan23/July23

Maximum Marks: 100

Weightage: 30%

Note: Answer all the questions. All questions carry equal marks = 20 each

Attempt each question in about 500 words

1. Select one news channel and one newspaper of your choice. Get familiarized with their news operations. Identify the primary characteristics of the respective medium. Find the differences between the characteristics of these two different media.
2. Identify any five Indian advertisements. Find out the following details of the respective advertisements from the media literacy perspectives: a) What is being sold through these advertisements? b) How is it being sold? c) What is the main agenda of each advertisement, and how it is conceptualized to influence the consumer?
3. Read more about Goal 3 of Sustainable Development Goals [Good Health]. With a simple online search, understand the international and national efforts taken for this goal. Write the opportunities and challenges for the media and communication system to support goal 3.
4. Read and understand the basic concepts discussed in Unit 13 (5.2 Representation of Social Identities). Collect five days of a newspaper of your choice, and analyse their coverage on Class, Caste, Gender, Minority and Ethnicity. Write your observations in a report format. Cite suitable examples from your sample news items to support your analysis.
5. Identify any alternative media efforts from India or the Asian context. Explain its mission and objectives and compare it with any mainstream media for their approach to executing their objectives. Give adequate details of the chosen alternative media efforts.

MJM 025: Media Ethics and Laws

Assignment 06

(Due Date: Please check the website for the latest update on due date)

Assignment Code: MJM-025/Jan23/July23

Maximum Marks: 100

Weightage: 30%

Note: Answer all the questions. All questions carry equal marks = 20 each

Attempt each question in about 500 words

1. Private news channels are often criticised for carrying out sting operations unethically. What are the ethical practices and laws that govern the use of hidden cameras and recording without a person's consent and knowledge? Discuss your answer in light of any recent example.
2. Discuss the role of codes of ethics in the context of journalism as a professional practice, examining its problematic and positive aspects and whether codes are the most effective way of securing ethical media practice without unduly restraining practitioners?
3. Fake news and rumour mongering has become a menace due to the lack of gatekeeping across social media. What in your opinion should be the ethical code of self-adherence to reduce the spread of such unidentified news?
4. Reading news and seeing gory photographs of riots, wars or accidents can be mentally harassing for the audience. Nevertheless, such reporting is essential from a journalistic view. Is there a need of educating journalists on Trauma Literacy for responsible reporting of accidents or riots? Justify your answer.
5. Personal data created by individuals using the internet creates both *footprints* and *fingerprints*. Discuss the ways that data-matching on the internet pose new legal and ethical issues for media platforms and media practitioners. [Data matching means the use of personal information given in one context (or held on one database) with data given (or held) in another]
