**PGCIPWS - 2024**

**ASSIGNMENT BOOKLET**

**Post Graduate Certificate in Inventory Planning and Warehousing System  
(PGCIPWS)**

**Last date for submission:**

**30th April 2024**

**School of Engineering and Technology  
Indira Gandhi National Open University  
Maidan Garhi New Delhi - 110068**

Dear Student,

We advise you to go through your course material carefully and read all the units pertaining to assignments. A weightage of 30 per cent, as you are aware, has been earmarked for continuous evaluation which would **consist of one tutor-marked assignment** for each of MWR – 001, MWR – 002, and MWR - 003 of this course. You need to score a minimum of 40 marks out of 100 marks in each of the assignments. **Submit scan copy of handwriting assignments through e-mail and e-mail Id is pgcipws.assignment@ignou.ac.in.**

### Instructions for Formatting Your Assignments

Before attempting the assignment please read the following instructions carefully.

1) On top of the first page of your TMA answer sheet, please write the details exactly in the following format:

---

**ENROLMENT NO:** .....

**NAME:** .....

**ADDRESS:** .....

.....

**COURSECODE:** .....

**COURSETITLE:** .....

**ASSIGNMENT NO.:** .....

**STUDYCENTRE:** .....                      **DATE:**.....

---

**PLEASE FOLLOW THE ABOVE FORMAT STRICTLY TO FACILITATE EVALUATION AND TO AVOID DELAY.**

- 2) Use only full size writing paper (but not of very thin variety) for writing your answers.
- 3) Leave 4 cm margin on the left, top and bottom of your answer sheet.
- 4) Your answers should be precise.
- 5) Only hand written assignments acceptable. No typed assignments
- 6) While solving problems, clearly indicate the question number along with the part being solved. Be precise. Recheck your work before submitting it.

Answer sheets received after the due date shall not be accepted.

**We strongly feel that you should retain a copy of your assignment response to avoid any unforeseen situation and append, if possible, a photocopy of this booklet with your response.**

We wish you good luck.

**Assignment -1**  
**(To be done after studying the course material)**

**Course Code: MWR – 002**  
**Course Title: Warehousing System**  
**Assignment Code: MWR – 002/TMA/2024**  
**Maximum Marks: 100**  
**Last Date of Submission: 30<sup>th</sup> April - 2024**

**Note:**

**1. Attempt all questions. All questions carry equal marks.**

<b>Q.1</b>	Discuss the issues and challenges for materials management in today's scenario. Explain the functions of materials management.	10
