ASSIGNMENTS: 2021-22

Dear Learner,

You have to do three assignments in all during the second year of MSCCFT. For each theory course, you will have to do one assignment. All the assignments are tutor marked (that is, evaluated by the Academic Counsellor) and each Tutor Marked Assignment (TMA) carries 100 marks for 4-credit theory papers and 50 marks for the 2-credit theory paper. In this assignment booklet, there are five assignments of which two are for the compulsory courses (MCFT-006 and MCFT-007), and three pertain to the elective paper (MCFTE-001/MCFTE-002/MCFTE-003). According to the elective course you have selected, you have to do the third assignment. The course-wise distribution of assignments is as follows:

Assignment 1 (TMA-6) : based on MCFT-006 (Units 1-18)

Assignment 2 (TMA-7) : based on MCFT-007 (Units 1-19)

Assignment 3 [TMA-8(1)] : based on MCFTE-001 (Units 1-8)

or

- 2) Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the top left-hand corner of the first page of your response sheets. Course Code and Assignment Code may be reproduced from the assignment.

The top of the first page of your answer sheets should look like this:

- 3) Read the assignments carefully and follow the specific instructions, if any, given on the assignment itself about the subject matter or its presentation.
- 4) Go through the Units on which assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasize.
- 5) Use only foolscap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between the answers. This may facilitate the evaluator to write useful comments in the margin at appropriate places.
- 6) **Write the responses in your own hand.** Do not print or type the answers. Do not copy your answers from the Units/Blocks sent to you by the University. If you copy, you will get zero marks for the respective question.
- 7) Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.
- 8) Write each assignment separately. All the assignments should not be written in continuity. For each Course, use separate sheets or start on the next sheet.
- 9) Write the question number with each answer. All the questions in a particular section should be answered before attempting the next section.
- 10) The completed assignment should be sent to the Coordinator / Programme Incharge of the Study Centre/ Programme Study Centre allotted to you. Under any circumstances do not send the tutor marked response sheets to the Student Evaluation Division at Head Quarters for evaluation.
- 11) Please obtain a receipt from the study centre for the assignments submitted and retain it. Also keep a photocopy of the assignments with you.
- 12) In case you have requested for a change of Study Centre, you should submit your Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is notified by the University.
- 13) If you find that there is any factual error in evaluation of your assignments e.g. any portion of assignment response has not been evaluated or total of score recorded on assignment response is incorrect, you should approach the Coordinator/ Programme Incharge of your study centre for correction and transmission of correct score to the Regional Centre & Headquarters.

Before submitting your assignment response, please make sure you have taken care of the following points:

- Your roll number, name and address have been written correctly.
- The title of the course and assignment number have been written clearly.
- Each assignment has been written on separate sheets and pinned properly.
- All the questions in the assignments have been answered.
