GUIDELINES FOR WRITING THE ASSIGNMENTS

You will find it useful to keep the following points in mind:

 are based. Make some points regarding each question and then rearrange
 these in a logical order. Write the answers in your own words. Do not reproduce
 passage from the units.
- Organisations: Be a little more selective and analytical before drawing up a rough outline of your answer. In an essay-type question, give adequate attention to your introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it.

The conclusion must summarise your response to the question. In the course of your answer, you may like to make reference to other texts or critics as this will add some depth to your analysis.

Make sure that your answer:

a) is logical and coherent;

b) has clear connections between sentences and paragraphs;

 c) is written correctly, given adequate consideration to your expression, style and presentation;

d) does not exceed the number of words indicated in your question.

Note: Remember the submission of assignment is precondition of permission of appearing in examination. If you have not submitted the assignment in time you will not be allowed to appear in the examination.
