- 2. Read the units carefully in order to answer the questions. You must also read newspapers and magazines and listen to the news broadcasts on radio and watch the news telecasts on TV. This will help you gain proficiency in the language.
- 3. Keep the accuracy of your language and readability of your answer in mind if you wish to get a high grade. While writing the assignment, remember some important points:
 - a) Read the questions carefully so as to know what has been asked. Then think of the answer. The answer may not always be available in the reading material. As it is a language course, a few samples have been mentioned in the study material, but you must try to think of other examples in use. GUIDELINES FOR WRITING THE ASSIGNMENT

You will find it useful to keep the following points in mind.

- 1. **Planning**: Read the assignment carefully. Go through the units on which they are based. Make points regarding each question and then rearrange these in a logical order. Write the answers in your own words. Do not reproduce passage from the units.
- 2. **Organization**: Be a little more selective and analytical before drawing up a rough outline of your answer. In an essay-type question, give adequate attention to your introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. In the course of your answer, you may like to make reference to other texts or critics as this will add some depth to your analysis.

Make sure that your answer:

- a) is logical and coherent;
- b) has clear connections between sentences and paragraphs;
- c) is written correctly giving adequate consideration to your expression, style and presentation.
- d) does not exceed the number of words indicated in your question.

Note: Remember the submission of assignment is a precondition for appearing in the examination. If you do not submit the assignment on time, you will not be allowed to appear in the examination.

Good luck!
