The TMA is designed to enable you to write answers to different categories of questions. The Assignment is divided into three sections. Section 1 comprises 2 descriptive questions of 20 marks each. Descriptive Category Questions are meant for writing essay type answers, with an introduction and a conclusion. Here, the evaluators have been asked to judge your ability to describe that you know about the topic in a systematic, to-the-point and coherent manner.

Section 2 comprises 4 questions that of 12 marks each. Here, you are requested to first analyse the topic in terms of arguments and explanations and then write the answers in a concise as well as precise manner. The evaluator shall assess your ability to distinguish, compare and contrast, or, present clear understanding of concepts and processes.

Section 3 comprises 2 questions of 6 marks each. These are meant to enhance your skill of recall in brief the relevant/precise information about persons, writings, events, exact definition to terms, or clear understanding of concepts and processes.
