MA (JMC) ASSIGNMENTS

Dear Learner,

We have explained in the Programme Guide that you need to submit one assignment in each course (MJM-020, MJM-021, MJM-022, MJM-023, MJM-024, and MJM-025). Before attempting the assignments, please read the detailed instructions provided in the Programme Guide carefully.

The last date of the submission is given against each of the assignment. Please note that you have to submit these assignments to the **Coordinator of your Study Centre** within the stipulated time for being eligible to appear in the term-end examination.

You must mention your **Enrolment Number, Name, Address, Assignment Code and Study Centre Code** on the first page of the Assignment. You must obtain a **receipt from the Study Centre** for the assignments submitted and retain it. It would be advisable to retain a photocopy of the assignments with you.

After evaluation, the assignments have to be returned to you by the Study Centre. Please insist on this and **keep a record with you**. The marks obtained by you will be sent by the Centre to SED at IGNOU, New Delhi.

Guidelines for doing Assignments

Attempt all questions given in each of the assignment as instructed. You will find it useful to keep the following points in mind:

Planning: First read the study material carefully, attend teleconferencing sessions and interactive radio counseling sessions conducted for the programme; if required you can obtain details from Study Centre/Regional Centre) and then read the assignments carefully. Go through the units on which they are based. Make some points regarding each question and then rearrange them in a logical order.

Organization: Draw a rough outline of your answer. Be analytical in your selection of the information for your answer. Give adequate attention to the introduction and the conclusion. Make sure that the answer:

- is logical and coherent;
- has a proper flow of information in sentences and paragraphs; and
- written correctly giving adequate consideration to your expression, style and presentation.

Presentation: Once you are satisfied with your answer, you can write down the final version for submission, writing each answer neatly.

With best wishes,

Dr. Kiron Bansal
Programme Coordinator
