Dear Learner,

Welcome to the Certificate in Social Work and Criminal Justice System (CSWCJS) programme.

We hope that you have gone through the Programme Guide for CSWCJS carefully. We have explained there that it is important to complete the assignments within the stipulated time to become eligible to appear for the term-end examination of IGNOU. All the assignments of CSWCJS are Tutor Marked Assignments (TMAs) and are part of the continuous evaluation process.

You will find that separate assignments have been provided to you based on MSW 031 and MSW 032. There is no assignment for MSWL 033 which is a project work. Before you write the assignments, read the instructions provided in the Programme Guide and go through the course materials carefully. Please read the instructions pertaining to assignments before you start writing your answers. If you have any doubt or problems pertaining to the courses and assignments, contact the concerned academic counsellor at your Study Centre.

You are requested to go through the course materials first and then prepare the assignment response following the instructions. Your responses should not be a verbatim reproduction of the textual materials/blocks provided for self-learning purposes. Assignments are to be hand written or neatly typed. **Please submit your assignment responses** to the Coordinator **at the Study Centre allotted to you before the due date as mentioned** and obtain a receipt from him/her for the same. You are expected to keep a carbon copy or photocopy of the assignments for any future reference/use. The schedule for submission of assignments is as given bellow:
