Dear Student,

We hope you enjoyed reading this course and found it useful in applying it to your classroom. In order to help you understand the material better and prepare you for the examination later, we have an assignment for each of the courses. All the assignments are Tutor Marked Assignments (TMAs and carry 100 Marks each).

Aims; The TMAs are mainly concerned with your ability to understand the material and learn the common words and simple sentences of daily use.

Guidelines: You will be required to answer the questions based on the units.

As in day - to-day life, planning is important in doing the assignments well. Read the assignments carefully and answer all the questions properly.
