General Instructions :

Note : Attempt *all* questions. Follow the steps mentioned below :

Step 1 : Open a folder named PGDLAN MLIL 005.

Step 2 : Create one file for each question.

Step 3 : Save output (screen captures) of each question in respective file.

Step 4 : Move all the files in the folder.

Step 5 : Show the output to your examiner for evaluation.

1. • Use the search engine Google and search the web for information on "Right to Education Act, 2010". **20**

    • Record the number of hits received and time taken for search.

    • Open the first five websites. Write down the URLs and identify the different components of the URLs.

- Save the 'Act' as a word document on your desktop.

- Bookmark / Favourite the identified five websites.

- Create a folder named "RTE 2010" and move all the bookmarked websites in the folder.

- Delete any one website from the folder.

2. • Visit the website of University of Oxford. **20**

- Open its home page.

- Write down its URL and identify its parts.

- Make a list of major Oxford Research Libraries.

- Find out the types of e-resources which are available to all and e-resources having access limited to the users of Bodleian Library.

- Identify the types of services provided by Bodleian Libraries.

- Name the services which are available to disabled readers in the Bodleian Library.

- List the names of the skills training programmes provided by the Bodleian Social Science Library.
