SECTION-B

6. **Read the following case situations carefully and answer the questions given at the end.**

Very recently, The Ministry of HRD, Government of India had a decision to abolish board examinations at X class. The same decision may be continued in future even for professional courses. With this assumption :

- (a) What teaching and learning Methodologies do you suggest ? **20**
- (b) What should be the evaluation methods for Measuring Knowledge level of the students ?

7. The tensions between Prof. K.L. Kakre and Prof. Naresh Roy are not having an end. Both the professors have proven their excellence in Economics. Prof. K.L. Kakre strongly suggesting a classical Economic curriculum. Prof. Naresh Roy strongly opposes it and suggests a curriculum which is purely Industry based. According to Prof. K.L. Kakre, knowing the base of Economics is very important. But Prof. Naresh Roy strongly opposes it and calls the curriculum of Prof. Kakre an out dated one and has no relevance in the present day economics. **20**

Questions :

- (a) Should the educational curriculum be knowledge based or need based. Discuss.
- (b) Which curriculum would you suggest from the above situation ?
